

## §917.143

## 7 CFR Ch. IX (1-1-07 Edition)

(d) Public members should be nominated by each Commodity Committee and should serve a two-year term which coincides with the term of office of grower members of Commodity Committees.

[42 FR 3625, Jan. 19, 1977, as amended at 43 FR 58355, Dec. 14, 1978]

### REGULATION BY GRADES, SIZES, AND MINIMUM STANDARDS OF QUALITY AND MATURITY

#### §917.143 Exemptions.

(a) *Waivers.* A handler may handle fruit without inspection and certification, as prescribed under §917.45, if all the following conditions are met:

(1) The handler requests the Federal-State Inspection Service to provide inspection during its regular working hours at least two hours in advance of the time when inspection is needed. The request need not be in writing but it shall be confirmed immediately in writing on a waiver form supplied by the inspection service;

(2) The Federal-State Inspection Service advises the handler that it is not practicable to provide inspection at the time and place designated by the handler. Such advice may be verbal but it shall be confirmed in writing by the Federal-State Inspection Service by execution of the waiver form on which the handler submitted his written request. A confirmed copy thereof shall be forwarded by the inspection service to the office of the Control Committee;

(3) The Federal-State Inspection Service furnishes the handler with the number of the waiver which shall cover the fruit on which inspection is requested;

(4) When so instructed, the handler plainly and conspicuously marks one end of each container with the letter W and the waiver number supplied by the Federal-State Inspection Service. The letter W and the number so marked shall be not less than one-half inch in height.

(b) *Minimum quantities.* Notwithstanding any other provisions of this section, pears and peaches may be handled without regard to the provisions of §§917.37, 917.41, 917.42, 917.45 and 917.50 under the following conditions:

(1) Such pears and peaches meet the grade requirements set forth in Articles 35, 38, and 34, respectively of the Food and Agriculture Code of California.

(2) Such pears and peaches are for home use and not for resale.

(3) The shipment does not exceed 200 pounds of pears and 200 pounds of peaches to any one vehicle during any one day.

(4) Such pears and peaches are handled by the person who produces them; and the handling takes place (i) on the premises where grown, (ii) at a packinghouse or retail stand nearby which is operated by said handler, or (iii) at a certified farmers market in compliance with section 1392 of the regulations of the California Department of Food and Agriculture: *Provided*, That the exemption for certified farmers markets shall not apply to fruit sorted out by a handler unless such fruit is packed in containers clearly and legibly marked to show that the fruit contained therein is only to be sold at a certified farmers market, and the handler complies with regulations established under §§917.37, 917.41(a)(1), 917.45, and 917.50, except that such fruit may be handled to such markets if the fruit fails to meet the applicable grade only on account of being soft and overripe.

EFFECTIVE DATE NOTE: At 59 FR 10056, Mar. 3, 1994, in §917.143, (b) introductory text and paragraphs (b)(1), (b)(2), and (b)(4) the words "pears and", and in paragraph (b)(3) the words "200 pounds of pears and", were suspended, effective April 4, 1994.

#### §917.149 Special purpose shipments.

Any person may file a request with the Pear Commodity Committee to transport pears to a packing facility located in the State of Oregon without inspection and certification prior to such transporting. The committee may approve such a request subject to the following terms and conditions:

(a) Approval shall be requested by the person prior to transporting the pears out of the area of production.

## Agricultural Marketing Service, USDA

## §917.178

(b) Such person shall file with the committee, in such manner as required, reports showing, among other things, the date and quantity of pears comprising each shipment of pears transported to Oregon and the disposition thereof.

(c) All such pears shall be of the person's own production and the packing facility to which they are transported must be owned and operated by that person.

(d) All such pears shall be inspected and certified, as required by §917.45, by the Federal or Federal-State Inspection Service prior to the time such pears are shipped from the packing facility. Any pears shipped to any such facility which, upon inspection, do not meet the requirements of the then effective grade, size, or quality regulations, may be shipped, or handled, within the State, for consumption by any charitable institution or for distribution by any relief agency or for conversion into products. Prior to any such shipment or handling, there shall first have been submitted to the committee proof satisfactory to the committee that the pears will not be handled contrary to the requirements of the marketing agreement and order. Such proof shall include a written certificate, executed by both the handler and the intended receiver, stating that the pears will not be used for any purpose not authorized by this section.

EFFECTIVE DATE NOTE: At 59 FR 10056, Mar. 3, 1994, §917.149 was suspended, effective April 4, 1994.

### REGULATION OF DAILY SHIPMENTS

#### §917.150 Lot stamping.

Except when loaded directly into railway cars, exempted under §917.143, or for peaches mailed directly to consumers in consumer packages, all exposed or outside containers of peaches, and not less than 75 percent of the total containers on a pallet, shall be plainly stamped, prior to shipment, with a Federal-State Inspection Service lot stamp number, assigned by such Service, showing that such fruit has been USDA inspected in accordance with §917.45: *Provided*, That pallets of returnable plastic containers shall

have the lot stamp numbers affixed to each pallet with a USDA-approved pallet tag, in addition to the lot stamp numbers and other required information on cards on the individual containers.

[69 FR 15650, Mar. 25, 2004]

### REPORTS

#### §917.176 Pears.

(a) *Report of daily packout.* When requested by the Pear Commodity Committee, each shipper who ships pears shall furnish to the manager of the Control Committee or when designated to the Federal-State Inspection Service a report of the number of packages by container type, by variety and by district of origin, which the shipper packed during the preceding day.

(b) *Recapitulation of shipments.* When requested by the Pear Commodity Committee, each shipper of pears shall furnish to the manager of the Control Committee a recapitulation of his shipments. The recapitulation shall show: (1) The name of the shipper, (2) the shipping point, (3) the district of origin, (4) the variety, and (5) the number of packages, by size, for each container type.

(c) *Report of pears held in storage.* Each shipper who has pears under refrigeration in a storage warehouse shall upon request, file with the manager of the Control Committee within the time specified in the request an accurate report containing the following information:

(1) The name and address of the shipper; and

(2) The total quantity, as of the date specified in the request, of pears in storage outside of the State of California and in storage in the State of California.
